Re the file of

which I understand is a
Special Interest case of the O/DDCI.
FBIS has no position for which
is suitable. FBIS does
not hire as IO Documents officers
persons who are capable of trans-
lating in French only. Our Intel-
ligence Officers in this area are
multi-lingual, having knowledge of
two or more Romance or Germanic
languages. indicates a
knowledge of French only. In
addition, she has no background
that would be suitable to selection
of the kinds of material of intel-
ligence interest that FBIS selects
from foreign publications and
documents. Also, there is very
little work in the French language
for JPRS contractors, so I am quite
certain she would not be interested
in a contract there. In short, she
does not have capabilities for FBIS
positions. Unless specifically
directed by the DDCI to create a
position for her, we have no
interest in this applicant.
